

U.S. WOMEN'S AMATEUR
WOODMONT
120TH

[Date]

Dear Fellow Member,

We are honored that the USGA has selected Woodmont Country Club to host its first USGA Championship, the 2020 U.S. Women's Amateur. On August 3-9, 2020, the world's most talented amateur golfers will put our North course to the test in the 120th edition of the U.S. Women's Amateur, which will be nationally televised by Fox Sports. After witnessing the 2018 Championship at The Golf Club of Tennessee, we are even more excited about what this championship will bring to Woodmont, and we invite you to be part of one of golf's and our Club's most celebrated events.

First conducted in 1895 as one of the USGA's first three championships, the Women's Amateur will put Woodmont on the national stage and will give us an exciting opportunity to showcase our beautiful facilities to the world. In order to make the 2020 Championship a well-run and memorable event, we respectfully request your participation and support.

While the USGA provides some financial assistance, most of the championship budget comes from individual and corporate support. To create an experience equal to or surpassing previous U.S. Women's Amateurs, the 2020 Championship Committee, under the leadership of [REDACTED], has set a goal of raising \$700,000 in cash and in-kind contributions. This budget not only allows for a great event, but also for making lasting contributions to the Club. In addition, a portion of the proceeds will go towards establishing a Woodmont Country Club Scholarship and Employee Education Fund, something that we feel will help to recruit, retain and reward our amazing employees.

A supporter outreach program will soon be underway to Woodmont's vendor partners as well as the corporate community. Please contact [REDACTED]

[REDACTED], with any suggestions or leads.

Beyond corporate partners, individual support is critical. We are asking all members to consider contributing \$1,913 to join the "1913 Club," in honor of the year Woodmont was founded. Please know that any amount of support is greatly appreciated.

Your generous contribution of \$1,913 includes the following benefits:

- Three Woodmont guest golf passes for use in the year 2020
- Two passes to the Welcome Party attended by the players, USGA officials, supporters, and their guests (August 1, 2020)
- Two passes to the Supporter's Hospitality Area beginning on Monday of the Championship
- Recognition on event signage and the tournament website
- Recognition in the official USGA U.S. Women's Amateur Championship printed program
- One limited-edition driver cover

We are grateful to those who have already pledged their support and we hope we can count on you to make the 2020 U.S. Women's Amateur Championship an event worthy of Woodmont and its distinguished history. A Pledge Card is enclosed for your convenience.

Warm Regards,

[REDACTED]
Championship Co-Chairs
