## Join Fellow Members and Volunteer for the 2020 U.S. Women's Amateur

The 2020 Women's Amateur Championship Host Committee is looking for Clubhouse and on-course volunteers to fulfill a minimum of three shifts between Friday, July 31, and Sunday, August 9, 2020. Please visit <http://tiny.cc/woodmontwomen2020> to learn more and sign up.

### Volunteer Needs

- **Walking Scorer:** Track players' unofficial scores on electronic handheld device.
- **Walking Marshal:** Direct the gallery and help with player and spectator safety.
- **Stationary Forecaddie:** Spot balls and indicate on blind shots when fairway is clear.
- **Access Control:** Act as a greeter and check guest credentials in specified locations around the Clubhouse.
- **Volunteer Services:** Assist with check-in of volunteers and maintenance of volunteer headquarters.
- **Player Services:** Assist with player registration and locker room.
- **General Volunteer:** Great for those interested in helping, but unsure of a specific role.

### Player Housing

Part of Woodmont's responsibility in hosting the 2020 U.S. Women's Amateur Championship is to provide housing for those players who request it. In most cases, the player will have one family member or guest accompanying her. The USGA prefers that host families have two bedrooms, one for the player and one for her guest. Separate bathrooms are not required.

Please note that housing must be available from Thursday, July 30, to Monday, August 10, depending on your player's performance. The field will be cut from 156 players to 64 on Tuesday evening, August 4, and if your player misses the cut, she must move out the following day. However, host families should be prepared to host a player for the entire time period. (The USGA instructs players that once they have completed play in the Championship, they need to depart private housing within 24 hours.)

Additionally, the host family may need to provide transportation in the event that the player does not have her own.

If you're interested in learning more about this unique opportunity, please reach out to Andi Weiss, Captain of Player Housing, at [weissandi@gmail.com](mailto:weissandi@gmail.com).

Trillium says, "It's a huge honor to win this award. It was a really big surprise. It's a huge distinction, and I was astonished when I got the news."
