SOLUTIONS

Garchik Consulting Solutions is a fundraising events and communications consulting firm dedicated to helping our clients diversify revenue streams and operate effectively.

Garchik Consulting's four-part framework is a tried and true method for optimal success!

connecting the dots

Our rolodex is deep and diverse. We help you uncover new donor segments and identify collaborative partners to move your mission forward.

lean & mean

We identify efficiency gaps and provide strategic recommendations to operate more effectively. We leverage our vendor relationships to benefit your bottom line.

fundraising events

Our team does full-cycle event planning and committee management.

communications

We work with you to develop branded marketing collateral and to ensure consistent messaging on all platforms and social media channels.

"We obsess over the countless details so you don't have to."

~Jesse Garchik, Principal
